#### Clarification of News Report

This refers to your letter dated October 03, 2014 requesting us to clarify or confirm the news article entitled "Vitarich confident of settling debts by yearend" published in the October 3, 2014 issue of The Philippine Star, quoted as follows:

"Listed Vitarich Corp. is still confident that it can eliminate its remaining debt by the end of the year, despite having missed its initial target of exiting corporate rehabilitation by September, company chief operating officer Ricardo Manuel Sarmiento said Tuesday night.

'We're hoping to exit before the year ends. We're very optimistic on this. September was the target, but there has been a little delay but we can catch up,' he told reporters on the sidelines of the launch of its new cream dory fillet product. We would like to confirm this statement. We disclosed last July 8, 2014 that "The exit from rehabilitation is a plan of the Company. It is targeting the exit by September 2014. Legal steps to attain this objective are already being undertaken but whether the exit will be approved in September or not is upon the rehabilitation court's discretion", but this was delayed.

Vitarich sold early this year its non-core plant in Marilao Bulacan to 8990 Holdings for P610 million to pare down its remaining debt that stands at P800 million.

'We sold it, but we have terms on the payment. That's why our loan still stands at P800 million. But at the end of the year (the sale should be completed),' he said. We would like to clarify that the deed of sale was executed on August 1, 2014 but the approval of our Board and the Stockholders was made on July 4 during the Board meeting and the stockholders meeting on that date. This was disclosed to PSE on July 4, 2014 and further clarified by us on July 8, 2014.
