Marilao River Clean-Up Drive (Adopt an Estero Program)

Equipped with cleaning tools, several Vitarich Corporation employees went out of the office to participate in the National River Clean-up Activity of the DENR-Region 3 or the “Adopt an Estero” program to protect the Marilao River by cleaning the river portion near the Vitarich compound. Environmental preservation and protection is one of the Company's thrusts in its Corporate Social Responsibility program.

Tie-Ups with Educational Institutions (On-the-Job Training)

As the Company believes that quality experience can be best acquired through hands-on training, Vitarich Corporation, as part of its initiatives, continues to accommodate students from the De La Salle University, Polytechnic University of the Philippines, Technological University of the Philippines, Central Luzon State University, STI College, Bulacan Agricultural State College, Tarlac Agricultural University, and Bulacan State University for their On-the-Job Training.

Product Donations

The Company takes pride in providing quality food products and has generously donated such to the different government and religious institutions like Bureau of Fire Protection- Marilao, LGU- Marilao, Pavia Parish Church, Bureau of Fire Protection- Pavia, Philippine National Police- Pavia during their celebration of Christmas Season last December.

Laboratory Material/Equipment Donations

Vitarich Corporation extends its support by providing laboratory materials and equipment for the Grade 11 students of Prenza National High School to be able to acquire best experience that they could get in the field of Science, Technology, Engineering, and Mathematics (STEM) for the school year 2016-2017.
